Dear Hiring Manager,

I am writing to express my interest in opportunities at your company. As a dedicated and adaptable individual with a strong background in computer science I bring a solid foundation in problem-solving, communication, and technical skills — especially in languages like C++, html/css javascript and Python.

I have experience working on both academic and personal projects such as developing an apartment rental locator website, I've demonstrated my ability to quickly learn new technologies, apply concepts in practical, real-world scenarios, and collaborate effectively with others to solve meaningful problems I'm especially passionate about using technology to create solutions that are both impactful and efficient.

I am eager to contribute to your team, continue learning, and grow professionally. Thank you for considering my application. I would welcome the chance to speak with you further about how I can be an asset to your organization.

Sincerely,
Amadou Barrie
